June 13, 2012

Dear Newton Paul:

On behalf of the Board of Directors, staff, clients and volunteers of the Latino Commission on AIDS, I wanted to personally express to you my gratitude for supporting *Cielo Latino 2012*.

This year's event, came alive with the theme "**El VIH No Tiene Fronteras**" (**HIV Has No Borders**), and it recognized the upcoming International AIDS Conference taking place in the United States this coming July. Our event brought together a sense of solidarity, commitment, and call to action in raising awareness of the devastating impact of HIV/AIDS, on the lives of Latinos in the United States, Puerto Rico, Latin America and the Caribbean. We believe that by coming together, we are sending a strong message of hope and commitment to overcoming any challenge to achieving our dream of healthy communities free of stigma and discrimination.

Your ongoing, generous support enables us to develop, implement, and maintain cutting-edge programming. In particular this year your support has helped us launch the first ever National Hispanic Hepatitis Awareness Day, bringing desperately needed attention to a serious illness affecting millions of individuals in the United States and its territories.

All of us at the Commission are proud to count you as a trusted and loyal supporter. We hope to have your partnership as we move forward into this critical year and beyond.

Unidos Podemos - United We Can!

Guillermo Chacón
President
