Emeriti Luncheon

The October Emeriti Luncheon was held in the hospitality suite of the newly completed athletic stadium overlooking Drake Field. Those in attendance were: (Seated) Larry Baker, Denise Moore, Beverly McKay, Phyllis Petersen, Eileen Kinsella, Jim VanRiper and John Galbreath. (Standing) Jean and Dave Puddington, Matt Castellucci, Joe Nassimos, Dennis Sands, Lois Woods, Sharon Ogrzydziak and Lou Olney.

At the **Alumni Lacrosse game** during Mustang Weekend 2010, the Rose Trophy was given to the current lacrosse team after defeating their alumni opponents. This was the inaugural year for the Rose Trophy, named in honor of former MSC lacrosse coach, Paul Rose, who served as head coach for 20 years. Thank you to all the players and their families for coming out to support Coach Rose's memory!

MSC Alumni Board Member Newton Paul '94 and his company, Latin Heritage Cards, were featured on WABC (Channel 7 New York) during the Tiempo Show on Sunday, October 24, 2010. Newton and fellow alum, **Kirsy Munoz '02**, discussed the mission of the cards to promote the continuous learning of Latin history, while providing duality to entertain and engage with family, friends, associates, educational institutions and more.

Pictured: Newton Paul '94, Co-Founder/President; Kirsy Munoz '02, Director of Public Relations and Social Networks; Tiempo Host Carolina Reid; Johanna Fernandez, Director of R&D and Corporate Events; York Kemp, Co-Founder/Executive Vice-President of Marketing, Promotions & Sales.

James E. McIntyre (Public Health Technology) is the senior project safety manager for the Gilbane Building Company in Virginia and is currently building a new military hospital outside of Washington, D.C., for wounded veterans from America's War on Terror. Jim is a board certified safety engineer and recently performed construction management at Harvard University in Cambridge, Mass., his current resident state.

Deborah Parker (Animal Husbandry-Horses) is co-owner of Hendershot New Millennium Hafflingers, breeders of the "All American Athletic Hafflinger." Find her on Facebook!

Frank J. Ryan (Accounting) became vice president of sales for Hikvision USA, a top 10 manufacturer of surveillance cameras, in April 2010.

James R. Zaganiaczyk (Automotive Technology) is president of Finger Lakes Machine, Inc. in Canandaigua, where he builds engines for classic muscle cars and hot rods. He regularly attends car shows and cruise nights.

Class of 1974

Robin A. Allen (Journalism) writes, "For the past 8 + years, I have been working as a Court Hearing Reporter in Federal Court. The work is VERY interesting, and no two days are ever alike! I have been married for almost 25 years now, and we have a 22 year-old daughter who just graduated from UB with a bachelors degree in Engineering. I still treasure and love everything about our era and have many fond memories of 'M'ville' (Especially 'Goin' out on Thursday nights "downtown!") I would love to hear from other Class of '74 alums and of course my crazy fellow-Journalism gang as well!" You can email Robin at RAARobbie@aol.com.

Mark Barnes (Agricultural Engineering) is currently an electronic tech for the United States Postal Service. He recently retired from the NY Air National Guard after 22 years of service. His daughter and son-in-law recently had twin boys! Mark would enjoy hearing from South Hall friends at HDBlackBagger@aol.com.

Teddi (Malone) Caltabiano (Natural Resources Conservation) retired in August 2010 after a combined 30 years of service with the City of Syracuse, Onondaga County, and New York state. She would love to hear from former classmates—find her on Facebook or email her at froggiebears@yahoo.com.

Michael Graves (Accounting) and **Mary (Owens) Graves** (Accounting; Secretarial Science-Medical) moved to North Carolina in 2008. Michael retired after a career with various companies in the accounting field while Mary works at the University of North Carolina School of the Arts.

Nancy (Boyle) Hamlin (Natural Resources Conservation) has been busy helping out with her four grandchildren. She writes, "I want to encourage everyone from the great class of 1974 to plan NOW to attend our 40th reunion in 2014! Time flies and it will be here before you know it!" Find her on Facebook or email nancyhmln@yahoo.com.

Stephen "Steve" Hender-shott (Automotive Technology) was appointed to chief of operations for the Hillsborough Area Regional Transit Authority in Tampa, Fla.

Barbara (Catalano) Stevenson (Secretarial Science) is an administrative assistant to the Associate Dean of Academic Affairs and Advisement at LeMoyne College.

George F. VanSleet, Jr. (Natural Resources Conservation) has been a rock climber, caver, skydiver, white-water rafter, but has now slowed down and is a motorcyclist.

Brian E. White (Electrical Tech) married Mary Rose Bruno on September 25, 2010. He continues to live and work in Boca Raton, Fla.

Class of 1975

John V. Higgins (Natural Resources Conservation) writes, "35 years ago it was with a small tear in my eye that I left the land of milk and honey! If I knew back then that Morrisville was going to become a four year school, I would have been Dean of Students or the Mayor today!" You can email John at hightbo3188@yahoo.com.

Michael Pettinella (Journalism) is the manager of Empire State USBC Bowling Association. He is also a columnist for the *Batavia (N.Y.) Daily News* and www.mybowler.com, as well as media advisor for Genesee/Orleans Council on Alcoholism and Substance Abuse.

Class of 1976

Jeffrey S. Bradybaugh (Natural Resources Conservation) continues his career in the National Park Service, having just transferred to Bryce Canyon National Park, in Utah, where he is superintendent.

Josh A. Nash (Accounting) was recently promoted to chief financial officer of Griffiss Utility Services Corporation in Rome, N.Y.

The Office Technology Department hosted its reunion in April at the Copper Turret. Guests included current faculty members, graduates from almost every decade, Vice President for Academic Affairs, **Dr. David Rogers**, as well as **Distinguished Professor Emeritus Beverly McKay** and her husband, David.

Class of 1977

Barbara A. Cotie (Horticulture) writes that Morrisville was the "best two years of my life!"

Gary Gasper (Business Administration) writes, "It was great to see **Glen Gitterman '77** (Liberal Arts) in a recent edition of *Momentum*. Glen was my first roommate and we remain great friends."

Toni (Cross) Kelly (Individual Studies) is currently awaiting her second bone marrow transplant in her three-year battle with Lymphoma. You can email her at kelly31@cox.net.

Robert W. Pearson, PE (Public Health Technology) writes, "Living in North Carolina, it's a long trip to swim in cool, clear water and get apples that snap. There was a time when I thought senior engineer was a compliment, like in recognition of my experience or something. Now I'm thinking it means I use a

Have you received a job promotion, gotten married, had a baby, or received an award? Go to the alumni.morrisville.edu and update your profile. Tell us your good news so we can publish it in the next issue of *Momentum*!
